Subject: Roll out of e-Kuber Payment System of Reserve Bank of India in Union Territory of J&K.
Reference: Government Order No.53-F of 2021 Dated 18-02-2021.

C I R C U L A R

Time and again it has been observed that employee(s) who are drawing their salary from this institution are porting their accounts to different branch or changing their account numbers without any intimation to this office, with the result their salaries are not being credited in their bank accounts which leads to unsettlement of transactions to the beneficiary thus creating a reversal in treasury account.

Now, the Government has shifted to e-Kuber Payment System, the core banking solution of Reserve Bank of India in respect of Treasuries of Union Territory of Jammu & Kashmir and switching-over to e-Kuber means unsettled transactions shall no longer be parked. Hence, the whole bill against such transaction shall be lapsed and no reversal mechanism will be operative.

In order to arrest this tendency we have already issued instructions multiple times to furnish bank details within defined time period. It is impressed upon all the employee(s) of this institution who have not intimated this office well in time regarding the change of their bank branches or account number, any non-credit of salary will be their sole responsibility.

In light of above, it is impressed upon all the employee(s) that no bank branch or account number should be changed henceforth.
