MCI Faculty Training Workshop

Sub: MCI workshop for faculty on Curriculum Implementation & Support Programme (CISP).

Medical Education Unit (MEU) & College Curriculum Committee of GMC Srinagar is conducting a two day workshop: CISP-2 for faculty members. The tentative dates are 16th & 17th of September, 2020 subject to confirmation from MCI.

-This workshop shall play an important role in the smooth implementation of CBME curriculum recently introduced by MCI from year 2019 onwards.

- Participation in such MCI observed workshops is now a must requirement for future promotions.

- Faculty without undergoing such training workshops, as per MCI directives, may eventually be barred from carrying out any academic activity in future.

The list of participants nominated for this workshop is attached herewith. They may not be put in any kind of duty roster for these two days.

The Registration form along with registration fee of Rs.1500/= is to be deposited with Dr. Mohammad Saleem Itoo (Deptt. of Anatomy, Mobile: 7006923978) by or before 29th of August, 2020.

The workshop shall have eight (08) credit hours from state medical council.

No: Acad/0021-25/mc
Date: 17/08/2020
