Dear Professor Samia Rashid,

Frontiers In Medical and Health Sciences Education:
"Medical Education Disrupted – Negativity or Creativity"
November 27-28, 2020, Virtual Conference

On behalf of the Beu Institute of Medical and Health Sciences Education (BIMHSE), it is my great pleasure to invite you and your colleagues to attend the **Frontiers in Medical and Health Sciences Education 2020** on **November 27-28, 2020**. The conference is a flagship event of the Faculty which aims to provide a platform for practitioners to exchange experience and knowledge in medical and health education. In view of the uncertainties caused by the COVID-19 pandemic, the conference will be held online.

Entitled "**Medical Education Disrupted – Negativity or Creativity**", the 2-day conference will feature stimulating plenary sessions, panel discussions, workshops and free paper presentations, which aim to provide a platform for practitioners to exchange experience and knowledge in medical and healthcare education.

All participants are welcome to submit abstracts for the Oral and Poster Presentations, the deadline for abstract submission is **September 30, 2020**. Please visit the website <https://www.bimhse.hku.hk/FIMHSE2020/> for programme details, online registration and abstract submission.

Enclosed please find the conference poster for your information and favour of posting. I would be most grateful if you could promote this exciting event to your staff and colleagues in your department/school/institution, and encourage them to register online at the above website.

Should you need additional copies of the poster or any further information, please do not hesitate to contact the Secretariat, Ms Denise Lee at (852) 3917 9933 or imhse@hku.hk for assistance.

I look forward to interact with you at the virtual conference!

Yours sincerely,

Gordon Wong

Administrative Officer

The background of the slide is a collage. It features a light-colored, textured surface with several pieces of torn, translucent paper in shades of pink and white layered on top. At the bottom, there is a dark teal or green area containing black geometric shapes, including rectangles and arches, resembling a stylized cityscape or architectural elements.
