Subject: - Communication from Pharmacovigilance programme of India regarding virtual training on Pharmacovigilance for NABH/ Non NABH hospitals and healthcare providers.

Madam,

This is in reference to the email dated 11 March 2021 with attached communication and agenda from Indian Pharmacopoeia Commission, National Coordination centre Pharmacovigilance programme of India. The Indian Pharmacopoeia Commission, National coordination centre, Pharmacovigilance programme of India intends to carry out virtual training programme for hospitals accredited by National accreditation board for hospitals (NABH) and for Non NABH hospitals and healthcare providers as well.

In view of above yours good self is requested that the information be communicated with all associated hospitals of Government Medical College, Srinagar for greater participation. Furthermore the IT department be directed to upload the attached communication on GMC website for wider reach.

Yours Faithfully 
(Dr. Samina Farhat)
Head of the Department
Pharmacology, GMC, Sgr.

Virtual training on Pharmacovigilance for NABH Accredited Hospitals in India

Indian Pharmacopoeia Commission, National Coordination Centre (NCC) for Pharmacovigilance Programme of India (PvPI), has signed a Memorandum of Understanding with National Accreditation Board for Hospitals and Healthcare Providers (NABH) for effective implementation of Pharmacovigilance system in the country.

To train NABH-Accredited Hospitals staff on Pharmacovigilance, one day virtual Workshop-cum-Training programme is proposed to be held on **24th March 2021**.

This Training Programme intends to provide a platform for the NABH-Accredited Hospitals/ Non NABH-Accredited Hospitals to understand the systems and procedures involved in ADR-reporting and relevant practices. The resource persons from NABH, Indian Pharmacopoeia Commission, PvPI and representative from ADR monitoring centre will provide training during the workshop.

Registration procedure
