

POSTGRADUATE DEPARTMENT OF PATHOLOGY

Government Medical College Srinagar

The Principal/Dean,
Govt. Medical College,
Srinagar.

No: HOD/Path/MC/ 3499-501

Dated: 16 -10-2021

Subject:- Non compliance of notice by MBBS 2nd year students.

Madam/Sir,

This department framed schedule of practical examination (T1) of MBBS IInd year students through online mode due to lock down on the dates 3rd, 4th and 5th. All the teachers were taking the exam on line but the students left the examination midway and the exam could not be conducted.

As there was a decrease in covid cases and the circumstances were favourable we issued notice vide No: HOD/Path/MC/3380-84 dated: 15-09-2021 for conducting 1st terminal examination of MBBS students on 04-10-2021. The said examination could not be held on the said date as the students through the class representative approached the undersigned for postponement of the examination due to sports week. The said examination was rescheduled on the request of the students. Due to the busy schedule of the department, the said examination was rescheduled on 15th of October 2021 despite a gazetted holiday on the said date. A notice was issued in this regard vide No: HOD/Path/MC/3438-41 dated: 24-09-2021. But it is very much unfortunate and against the academic rules that the students did not attend the said examination despite all the staff deputed for the said examination was present.

It is therefore, requested that the strict action under rules regarding the non compliance of the notice issued by the undersigned may be taken at your end.
